There is a strict NO MAKE-UP policy for assigned work, including homework, quizzes, and exams. A grade of zero will be given for any such missed work.
Excused absences (such as those resulting from an official MTU activity) must be documented IN ADVANCE, and work, including exams, must be completed BEFORE the anticipated absence. In the event of an unforeseen emergency or serious illness, it is your responsibility to contact your instructor promptly and to supply adequate documentation.
WRITTEN EXAMS:
The exams are opportunities for you to demonstrate your understanding of the material covered in each of the seven chapters we will study in this course. Note the exam dates listed on the first page of this syllabus. You will find some useful exam review activities at:
<http://college.hmco.com/languages/french/thompson/maisoui/2e/students/index.html>

HOMEWORK AND COMPOSITIONS:
Homework includes workbook, lab manual, and video manual assignments as well as written assignments from our textbook. Homework assignments will be checked or collected, on an unannounced basis, at the BEGINNING of the class period only. Compositions will provide an opportunity to use creatively skills you have learned. **No late work will be accepted.**

CLASS PARTICIPATION:
Participation includes attendance and promptness, preparation, and involvement in conversations, skits, role-playing, and other in-class activities designed to assess that you are maintaining appropriate progress. (Please see above section on Attendance). You are strongly encouraged to participate in the French conversation group on campus, “Le Café français.”

LAB:
In order to develop all four language skills, we will be using a variety of multimedia tools, including lab CDs, videos, CD-ROMs, and websites. You are required to spend a minimum of ONE HOUR per week using such resources in the Modern Language Lab (Walker 114), for a total of at least TWELVE HOURS throughout the semester. You will use log sheets to record your hours. Lab hours must reflect steady attendance throughout the semester; students are not permitted to make up large numbers of missed hours at the end of the semester.

ORAL EXAMS:
In addition to ongoing in-class assessments of your speaking skills in French, students will meet with the instructor outside of class for two conversation exams (one at mid-term and one at the end of the semester). A list of communication situations to prepare will be provided in advance.
