Course Goals:

The main goal of HU2291 is to prepare first-year students to move to the intermediate level of Spanish proficiency. While all four language skills (listening, speaking, reading and writing), will be dealt with, special emphasis will be placed on grammatical structures, reading and writing, since these are the more usable skills for the followings levels of Spanish here at MTU, provided you decide to pursue the Spanish language study in order to fulfill other major requirements of your major field, or TO PURSUE AN INTERNATIONAL OR REGULAR MINOR IN SPANISH LANGUAGE AND CULTURE.

Another important goal of the course is the practice of becoming a more conscientious, intercultural Spanish learner by becoming aware of the many variants of the Spanish language, and the lives of the people who live them through interactions and exchanges of their experiences of life, starting with their own languages and ways of perceiving the world and communicating about it. Hopefully, you will become aware of the geographical Spanish world, their history, art, literature, and other features you might feel inclined to investigate on your own motivation or personal interest. It is important to understand that all cultural phenomena make sense within the context of specific cultures, Hispanic or other. The best way, of course, to gain critical intercultural understanding is through direct immersion in the target language and culture (for example, by studying abroad with home stays, international work and service learning experiences).
Expectations: The keys to successful language learning are curiosity, open-mindedness, and willingness to take risks, but above all by constant and hard personal study and use of any resources available to you, such as friends, tapes, videos, your books and the Internet.

☐ Attendance and positive participation is a must without which this class will not yield the expected results/goals above mentioned.

☐ You MUST FAMILIARIZE YOURSELF with YOUR ¿Qué tal? textbook and workbook, and resources available on Online Learning sites, such as www.mhhe.com/quetal7 and other sites you might explore on your own, as studyspanish.com, or any other sites you might find through Google, for example.

☐ Coming prepared to class is crucial to your participation in this class.
☐ Bring required textbooks and materials to class every day.
☐ Keep up study assignments, and/or homework.
☐ Clarify any “issues” with the instructor as soon as you start feeling uncomfortable with them!!
☐ Do not cram assignments or learning you have not done before in the last weeks of class.
☐ TURN OFF all cellular phones before entering class.
☐ NO LAP TOPS are allowed in class unless you have a written note from the Dean of Students Office.
☐ If you need extra help, visit my office in Walker 322.
☐ Be respectful and supportive of each other while learning to laugh at your own verbal bloopers or other.
☐ PLEASE, TAKE RESPONSIBILITY FOR YOUR WON LEARNING AND THAT OF YOUR PEERS Ask for clarification whenever you feel lost. You may also be helping the person next to you!
☐ Follow proper behavior and classroom etiquette as per MTU student handbook.

1. Preparation, Attendance, and Class Participation. Volunteer responses in class whenever possible; if called upon for a response, do not be afraid to make mistakes. Any attempt to do this *in Spanish* is considered participation. This participation applies for group work as well.

Make sure that you are ALWAYS present when classes are in section and ON TIME. If you consistently arrive late for class, you will distract the class and will not participate in/contribute to it positively either. Your grade will be seriously affected if you miss class without providing an officially authorized excuse for your absence.

If you know in advance that you will not be able to attend class, it is your responsibility to get updated on what you missed by contacting your classmates.
or by visiting my office, not by asking via e-mail about what you missed from class.

Many “A Escribir” sections in the textbook relate directly to the reading sections. Thus the reading sections (“A leer”)—in addition to being a source of cultural information—are also vehicles for learning how to read and to write! (Estrategia and Repaso de estrategias sections). Good reading and writing skills lead to successful intermediate work. Do not overlook these sections, please.

Your final grade in this class will be calculated according to:
Class attendance and participation: 30%
Quizzes: 30%
Midterm and final exams or assignments: 40%

Grades:
Grades will be assigned according to the following scale*:
95-100 A 76-70 C
85-94 AB 69-65 CD
79- B 64-60 D
81-77 BC 59- F

If you go on to complete HU2292 or HU2293 in fall /spring 2011 or HU3291 in spring 2011 and also enroll in UN1003 in spring 2011, you will satisfy the World Cultures requirement for graduation. Students may continue with second, third, and fourth-year level language courses in Spanish and count these courses toward the general education distribution requirement (at least nine credits) and also earn credits toward a Minor or International Minor in Spanish.

NOTE 1: As a second option, all 15 credits of the distribution requirement may be filled with modern language credits providing they are not the student’s native language, meet the upper division requirement (3000-4000 level) of nine credits, and any distribution course specified by the major is also taken.

NOTE 2: I have had several students complete 2291/2292, retake the placement exam, and place directly into 3291 or 3293!! A jump start on the Spanish minor. Challenge yourselves, save money and time!

In addition to gaining proficiency in the language and intercultural communication skills, you will also study literature and acquire knowledge of contemporary issues. A minor in Spanish can give you the competitive edge in your career and help you develop skills to cope effectively with the complex challenges of a rapidly changing global environment.

Students who want to earn a MINOR in Spanish (18 credits) must complete two
years of the language (12 credits) and at least two courses (6 credits) chosen from Spanish-language specific courses at the 3000 or 4000 level which can be taken either at MTU* or completed through study abroad. Three of the six credits may be earned through participation in an approved internship in a Spanish-speaking country. [Be sure to work closely with your major advisor to insure that you do not double count 3000 credits]

Students who want to earn an INTERNATIONAL MINOR in Spanish (21 credits) must complete two years of the language (12 credits) and at least three courses (9 credits) chosen from 3000-4000 level courses which can be taken either at MTU* or completed through study abroad. In addition, students must spend at least six (6) weeks for work or study in a Spanish-speaking country.

*Some restrictions for on-campus course completion may apply.

Certificates in Spanish and Area Study (21 credits) are also available. The difference between the International Minor and the Certificate is that the Certificate does not mandate either study abroad or advanced study in Spanish and culture. Instead, students may satisfy requirements for the Certificate by completing requirements in English, by taking, for example, HU3261, Communicating Across Cultures. For additional information on Certificates, Minors and International Minors, please see your instructor or view our website at: http://www.hu.mtu.edu/mod_lang/

If you are interested in obtaining information on study abroad, internships, or co-op opportunities (with or without financial aid), please consult with one of the Spanish instructors (Department of Humanities), with your major advisor, or with the Office of International Programs (Administration Bldg.). Most of these programs allow for the transfer of credits to MTU. Study abroad scholarships are also available through our partner program, University Studies Abroad Consortium (USAC). NOTE: We are happy to support your application for study abroad if you maintain at least a BC average in this class. PLEASE NOTE AGAIN: If you are working toward an International Minor in Spanish, either study or an internship in a Spanish-speaking country is required.
