All ESL courses are pass-fail courses. Credits will be given but the grade in this class will not be used in the computation of University grade point average (GPA). See description below:

- **S** (satisfactory)—credit given, no grade points, and not included in student’s GPA; given for courses taken under the Pass-Fail option. A grade of S is given for work equal to 80% and above.
- **E** (effort unsatisfactory)—no credit, no grade points; given for courses taken under the Pass-Fail option. A grade of E is given for work equal to 79% and below.

Course Policies

**Attendance: Come to all class sessions.**

- Attendance is required in every class. Students need to be in class and be engaged in order to benefit from instruction. If you need to miss a class, email the instructor as soon as possible before class. If it is an excused absence, a proof of the reason in writing (i.e. a doctor’s note) is required.
- A student with one unexcused absence will receive a warning from the instructor. A student with two unexcused absences will receive another warning and be required to meet with the Assistant Director. A student with three unexcused absences will be required to meet with the Program Director.

- If you have more than three unexcused absences, you will be reported to the International Programs and Services (IPS) office. The United States immigration rules require students to attend classes. Not attending classes regularly may result in the loss of your Michigan Tech student status.

- Make up assignments, tests, quizzes, and presentations will not be given unless arranged in advance. If you are absent, you are responsible for finding out what homework or classwork you missed.

**Lateness: Come to class on time.**

- If you arrive to class late you should quietly enter and take your seat without interrupting the class. Students who are repeatedly late will be required to meet with the Assistant Director. If you arrive 10 minutes late or more, it will be counted as an unexcused absence.

**Disruption: Participate in class and respect others.**

- All students should participate actively in class and respect others. You should only use electronic devices (cell phones, tablets, laptops) when the instructor tells you to do so for a classroom activity. If you continue to be disruptive you will be required to meet with the Program Director.

**Assignments: Hand in homework on time.**

- Major assignments: 10% will be deducted from assignments turned in late on the due date. If turned in 1 day after the due date, 20% will be deducted. Later submissions will not be accepted.
- Minor assignments: Minor assignments will not be accepted late and will automatically receive a 0% if not turned in on the due date.
